

Setting up Application Environment

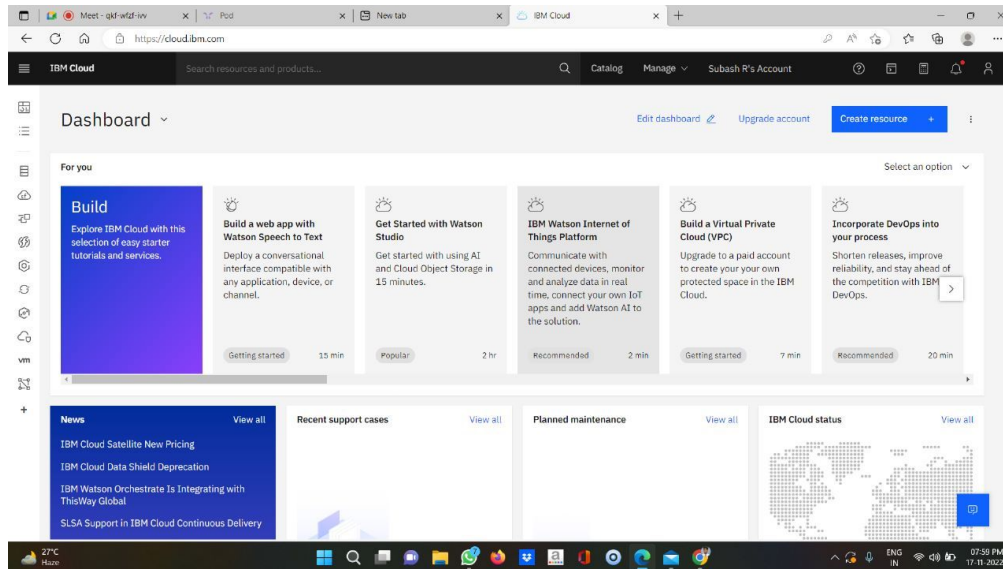

Create IBM Cloud Account

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

The screenshot shows the IBM SkillsBuild Software Downloads page. The header includes the IBM logo and navigation links: SkillsBuild, Topics, Usage terms, Additional Resources, and FAQ. The main content area features a large image of a group of people sitting on a curved brick wall, with the text: "Harness the power of IBM. Get easy no-charge access to the tools you need to develop the next great thing. Enjoy powerful technical and strategic resources from IBM. Jump right in with access to powerful services and the most prominent open-source computer technologies, or take advantage of hands-on resources that will teach you about data science, artificial intelligence, security and more." Below this text are two buttons: "Already registered? Log in" and "Register now".

The second screenshot shows the registration page for an academic account. The URL is academic.ibm.com/a2mt/email-auth. The page title is "IBM SkillsBuild Software Downloads". The main heading is "Enter your academic institution issued email to begin". Below this is a paragraph: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." There is a text input field containing the email address "913119104106@smartinternz.com". Below the input field is a link: "Find answers in our frequently asked questions". At the bottom is a blue "Submit" button. A "Cookie Preferences" button is visible in the bottom right corner.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

Output :

Cloud account created successfully.
